How It Works: Simple Steps to Seamless Delivery

Experience effortless logistics with 9th Waka. Our intuitive app and streamlined process make booking, tracking, and completing your deliveries incredibly simple. Follow these three easy steps to get started.

01

Tap & Describe

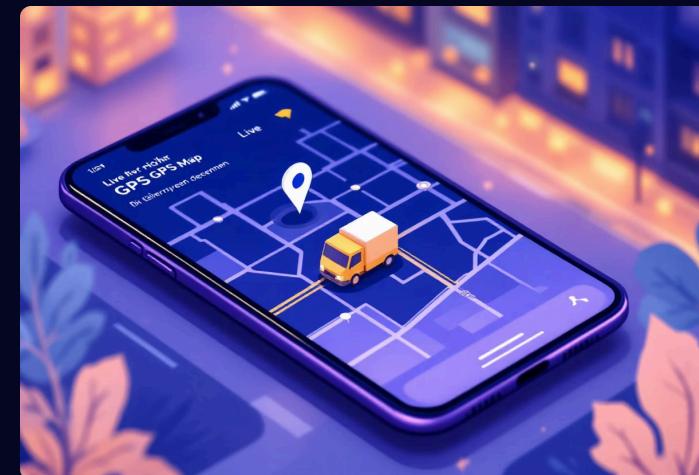

Choose your ideal vehicle, set precise pickup and drop-off locations, and add any specific notes for your delivery. Our app guides you through every detail.

02

Match & Track

The nearest available rider accepts your order instantly. Watch your delivery progress in real-time with live GPS tracking, from pickup to drop-off.

03

Pay & Review

Complete your transaction using cash, card, or your in-app wallet. After a successful delivery, rate your experience and tip your rider if you wish. Your feedback helps us improve!

Your Safety and Security, Our Priority

At 9th Waka, we go above and beyond to ensure the safety of your goods and the reliability of our services. Our multi-layered security protocols and comprehensive insurance coverage provide peace of mind for every transaction.

Robust Safety Measures

- **Riders Verified**

All 9th Waka riders undergo a rigorous verification process, including national ID checks, driver's license validation, and guarantor forms, ensuring only trustworthy individuals handle your deliveries.

- **₦5M Goods-in-Transit Cover**

Your valuable items are protected by comprehensive insurance up to ₦5 million, underwritten by Leadway Assurance. We ensure full coverage against unforeseen circumstances during transit.

- **Night-time Double-Confirmation**

For added security during night deliveries, an OTP (One-Time Password) from the receiver is required before hand-off, guaranteeing that your package reaches the correct individual safely.

- **24/7 Control Room + Geo-Fence Alerts**

Our operations room monitors all deliveries round the clock. Geo-fence alerts provide real-time notifications for unusual route deviations or stops, ensuring constant oversight and rapid response.

Frequently Asked Questions

Have questions? We've got answers! Find quick solutions to common queries about 9th Waka's services, scheduling, pricing, and coverage area.

Q: Can I schedule a truck for tomorrow 7 am?

A: Absolutely! Simply tap “Schedule” in the app and select any 30-minute slot up to 24 hours in advance. Plan your logistics with precision.

Q: Are prices fixed or bid-style?

A: All our pricing is fixed. We use an algorithmic model that calculates fares per kilometer and vehicle type, ensuring you see the exact fare before you confirm your order. No surprises!

Q: Do you handle intra-state deliveries?

A: Yes, we do! Our network extends beyond city limits, covering major routes like Lagos to Ibadan, Abuja to Kaduna, and Port-Harcourt to Owerri. Wherever you need to send something within state lines, we've got you covered.

Q: What payment methods are accepted?

A: We offer flexible payment options including cash on delivery, card payments (debit/credit), and seamless transactions through your in-app wallet for ultimate convenience.

Q: What if my item is fragile?

A: We provide special handling for fragile items. Ensure you mark your delivery as fragile in the app, and consider our optional fragile insurance for added protection.
